***Achillea 'Oertel's Rose', No.1*** – Rose-pink blooms are beginning to show color above the bright green ferny foliage. Perfect for the cut flower garden!

***Dianthus 'Neon Star', No.1*** – Leading the show this week are the intense neon-pink blooms that are just beginning to open and sure to attract Dianthus fans!

***Geranium 'Max Frei', 1 Qt. & No. 1*** – Another pink beauty this week, magenta-pink that is...and a favorite for the landscape!

***Heuchera 'Black Pearl', 4 Qt.*** – Dark dark foliage looks great with Dicentra 'Gold Leaf' or Carex 'Bowles Golden', Japanese Painted Fern or Ursula's Red Fern and many colorful Hosta. All available at the Perennial Farm!

***Ligularia 'Desdemona', No.1*** – No one will be anticipating the late summer yellow daisy-like flowers because the robust bronze-green foliage is showy all season. Nice!

***Pennisetum 'Rubrum', No.1*** – Looking great at just the right time for seasonal containers and sunny borders.

***Sedum 'Autumn Joy', No.1*** – A large crop with attractive full-in-the-pot foliage ready to supply the east coast!
