Actaea 'Brunette', No.1 – Attractive chocolate foliage now with towering creamy white flower wands in late summer to finish the show. Full and nice!

Campanula 'Blue Waterfall', No.1 – Spilling over the pot edges with cascading foliage and lavender-blue flowers. Add a refreshing touch to the rock garden!

Carex Bunny Blue®, No.1 – The cool silver-blue foliage of this native cultivar makes an attractive clumping ground cover in shade. Pots are full and nice!

Dianthus Everlast 'Lilac + Eye', No.1 – Fresh blue-green foliage is topped with petite carnation-like flowers of lilac and magenta-red. Pretty.

Echinacea Butterfly™ 'Cleopatra', No.1 – Yellow is a brilliant color for the Cleopatra butterfly and it will be a brilliant color for a sunny perennial border. Budded and blooming!

Pennisetum orientale, No.1 – Whitish plumes are just beginning to show their fluff! Nice.

Rudbeckia fulgida var. deamii, No.1 – This crop is soon to be a sea of large, bright-yellow black-eyed blooms. Full and budded.

Tradescantia 'Concord Grape', No.1 – Arching strappy bluish-green foliage topped with buds and purple blooms fill the pots.
