Anemone 'Pocahontas', No.1 – Pinkish buds top compact full-in-the-pot foliage. Double powdery-pink flowers will soon bloom in profusion!

Astilbe 'Visions', No.1 – We have plenty of these fresh visions of loveliness, from budded to blooming!

Christmas Fern, No.1 – Distinctive dark green fronds fill the pots. A native evergreen must have for the woodland garden. Nice!

Hakonechloa 'All Gold', 1 qt. & No.1 – Vigorous 'All Gold' is ready to brighten up the retail bench or the shady border!

Heuchera 'Berry Smoothie', No.1 – The hot, humid days of summer call for smoothies. The berry rose-purple foliage of 'Berry Smoothie' is tolerant of heat and humidity. Perfect!

Lobelia cardinalis, No.1 – Native cardinal flower puts on quite a show in summer with its tall spikes of scarlet-red flowers. Expect hummingbirds and butterflies to be in the audience. Attractive glossy foliage fills the pots.

Miscanthus 'Cabaret', No.2 – Speaking of shows, your customers will enjoy this one...broad leaves with green and creamy-white stripes fill the pots. Short but nice.

Ostrich Fern, No.1 – You won't be able to make a jacket out of them but they are beautiful!
