Dear Mr./Ms. COMPANY CONTACT NAME,

We can secure plant material that is currently growing at The Perennial Farm with a secure Agreement. Plants held with a **Secure Agreement** contract require a 40% non-refundable deposit at the time the order is placed. Your deposit will be \$ AMOUNT. It may be made in the form of check, money order or credit card. The deposit will be applied to the final shipment.

Plants in a **Secure Agreement** will be held for up to (14) days after the agreed to delivery date. Unfortunately, we do not have the storage space to hold material beyond (14) days. After that time, all plant material reverts to the property of The Perennial Farm and we will attempt to resell it. The initial non-refundable deposit is forfeited. If plant material is again requested beyond agreed to contract, plant material will need to be re-quoted and a new deposit will be required.

Upon receipt of a signed contract and deposit, we will reconfirm order, pricing and delivery in a revised acknowledgement. No plants will be ribboned until a deposit and signed contract is received.
