

THE PERENNIAL FARM NOW ACCEPTS ACH PAYMENTS

We now offer our wholesale customers the option of making payments via Automated Clearing House (ACH) in order to avoid the 3% service fee for credit card payments. Save money and time by having your financial institution/bank set up for making your Perennial Farm payments electronically.

Please email either LisaS@perennialfarm.com or Cindy@perennialfarm.com to get started today!

****Payments made by check are also free of charge**
